

Focus Group Interview Registration Form

(Link form đăng ký bằng tiếng Việt: <https://forms.office.com/e/PVcaxEammG>)

You are being invited to participate in a research study titled **STAMP-STPA: Safe TikTok for University Students from Harms by Contents with Gender Inequality Connotations in Vietnam**. This study is being done by **Nhi Tran**, a Master student from the faculty **Technology, Policy and Management (TPM)** at **Delft University of Technology (TU Delft)**. Should you have any question or concerns, please don't hesitate to reach out to the responsible researcher using the contact address:

- Email: N.U.Tran@student.tudelft.nl
- Phone number: +84 70 8383715

Research Purposes

The purpose of this research study is to design a safe online environment for Vietnamese university students from harms caused by contents with gender inequality connotations on TikTok. You will join a **focus group interview** (interview), which might take approximately **90 minutes**. The data will be used for the completion of the Master thesis of the researcher, which will be published on the **TU Delft Education Repository**. We will be asking you to share their views on gender inequality in your daily life and on social media, specifically on TikTok.

Attention

Please carefully read the statements in the section **Informed Consent Form** below to understand your rights and risks, as well as the measures we take to protect you from any harms resulting from this research.

By clicking through to the registration form, you are agreeing to the conditions that you indicate "Yes" in the **Informed Consent Form**.
